Hugo DUBUISSON

Looking for an internship in IT in April 2024

Diplomas and qualifications

- BUT IT
09/2021 IUT Lens
- General baccalaureate
09/2019 - 06/2022 Voltaire Wingles
 - Mathematics specialty
 - Digital and computer sciences specialty

Professional experiences

- Shelving / Drive
07/2023 - 08/2023 Carrefour Market Bauvin
Strengthening my work skills within a team.
- Industrial boiler fitter
06/2023 - 07/2023 MTCB Roubaix
Installation and overhauls of industrial boilers (travel to France). In this position, I was able to gain experience working within a group. The latter allowed me to show the rigor and motivation implemented.
- IT intern
12/2018 - 01/2019 Enova Avelin
Hardware and software maintenance, discovery of remote connection tools, team work.

Personal projects

Learning the IT environment on RootMe
Learning Cracking, network, web client as well as web server to strengthen my knowledge.

Learning about Cyber Security.
Learning on sites representing concrete cases (TryHackMe, HackTheBox) These platforms offer me the opportunity to develop my knowledge and skills in information systems security.

Hobbies

Bodybuilding
Boxing
Football
